FLEXI FACILITIES

Ras Al Khaimah Free Trade Zone (RAK FTZ) is one of the fastest-growing free zones in the United Arab Emirates, and the investment destination of choice for more than 8,000 companies from over 100 countries, representing more than 50 industry sectors.

RAK FTZ offers flexi facilities that cater to the specific needs of small businesses. Shared and networked work stations (Flexi Desks) or offices (Flexi Offices) include services provided by our first-class business centres.

The majority of flexi offices are located at RAK FTZ's Business Park in Ras Al Khaimah. Clients may book the facilities for additional hours at nominal costs. Clients must register with a RAK FTZ business centre to acquire services. Clients who require a business licence and facilities, but not a residence visa, can register for a business centre service package at even lower start-up costs.
