RAS AL KHAIMAH

IDEAL PLACE FOR BUSINESS & QUALITY LIVING

At the northernmost part of the United Arab Emirates (UAE) lies Ras Al Khaimah, one of the leading business destinations in the country. The combination of Ras Al Khaimah's business-friendly environment and cost competitiveness has helped thousands of investors gain a higher return on investment.

The emirate's political security and stability are backed by renowned credit rating agencies such as Fitch Ratings and S&P, while its connectivity to fast-growing markets is well supported by major logistical hubs including: Ras Al Khaimah International Airport; multi-lane superhighways that link to neighbouring emirates;

and five seaports led by Saqr Port, the largest bulk port in the Middle East.

But Ras Al Khaimah is not all about business. It is also a great place for you and your family to live! Residents get access to high-quality yet affordable housing, shopping malls, premier educational institutions and advanced medical facilities. Also, living in the emirate is like being on an everyday vacation – you get to enjoy a relaxed seaside ambiance, year-round sunny weather, majestic mountains as well as a rich local culture and a welcoming atmosphere.
