- The client shall submit an inventory update form of approved chemicals (HSE-GU02.F01-A) available in the premises on a monthly basis between 1 - 5 of every month to RAKEZ HS&E.
- Entry of chemicals in the inventory form shall be according to the specific NOC certificate mentioned above only. Each NOC certificate requires a different inventory form.
- The inventory of chemicals shall be as per the exact location.
- Copy of this form duly filled shall be sent through email to hse@rakez.com.
